pindrop.*

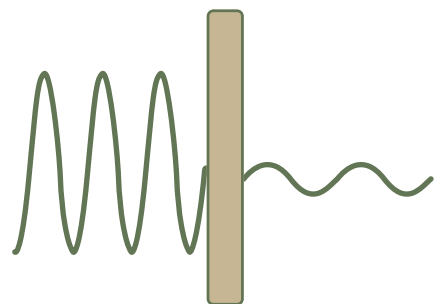

## Light in Harmony

*optimizing well-being with circadian  
lighting.*

## The Quiet Focus

*pindrop acoustic products for enhanced  
focus.*

# Complete Sensory Experience

[ACOUSTIC + LIGHT]

Introducing ***Pindrop***, the new lighting series from *amorphous design lab*. We are pioneering the next generation of focused environments by seamlessly merging design, felt fabrication, and light technology. Acoustic felt meets illumination. Your lighting is now a powerful, architectural tool for sound clarity. We've engineered high-performance felt directly into the fixture to turn distraction into deep focus.

Beyond acoustics, Pindrop features sophisticated circadian lighting technology. Our light adjusts with natural human rhythms, actively supporting wellness and maximizing productivity throughout the day.

*Sounds good.*

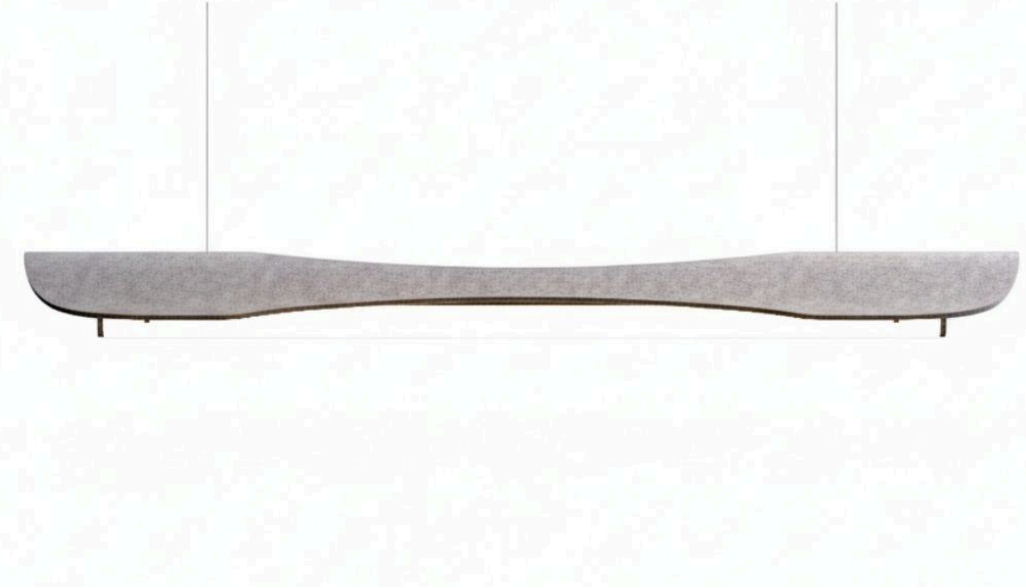

*sculptural form.  
acoustic comfort.*

# Hush Pendant

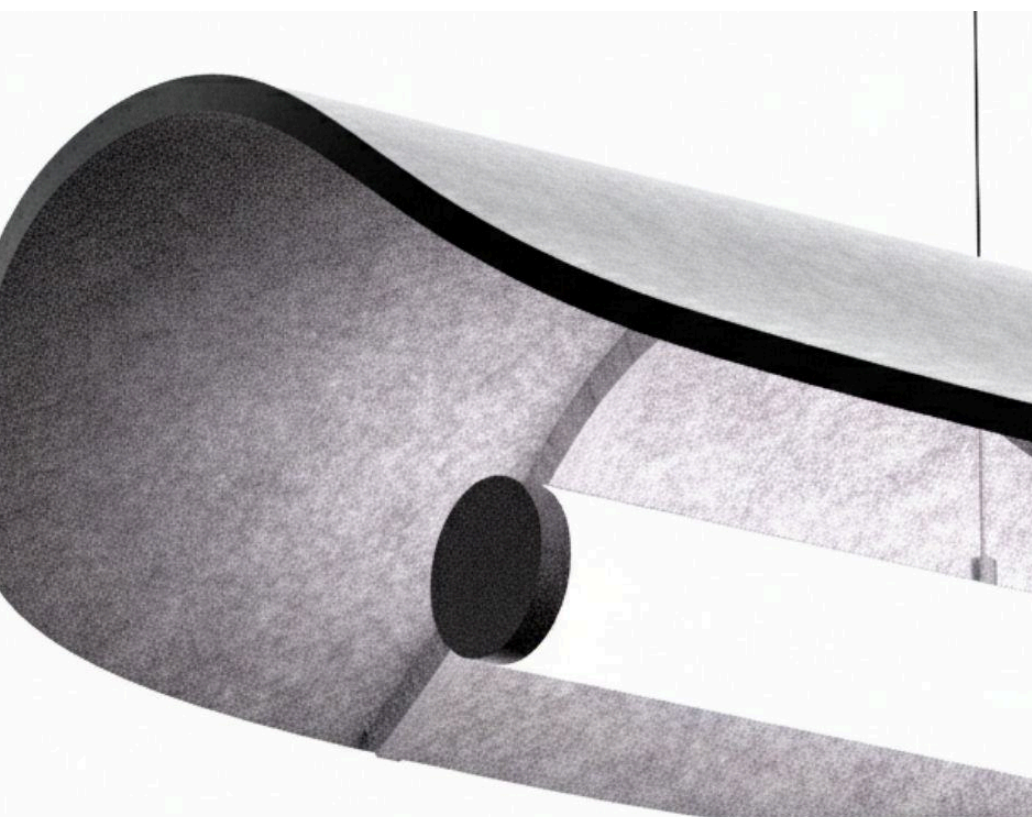

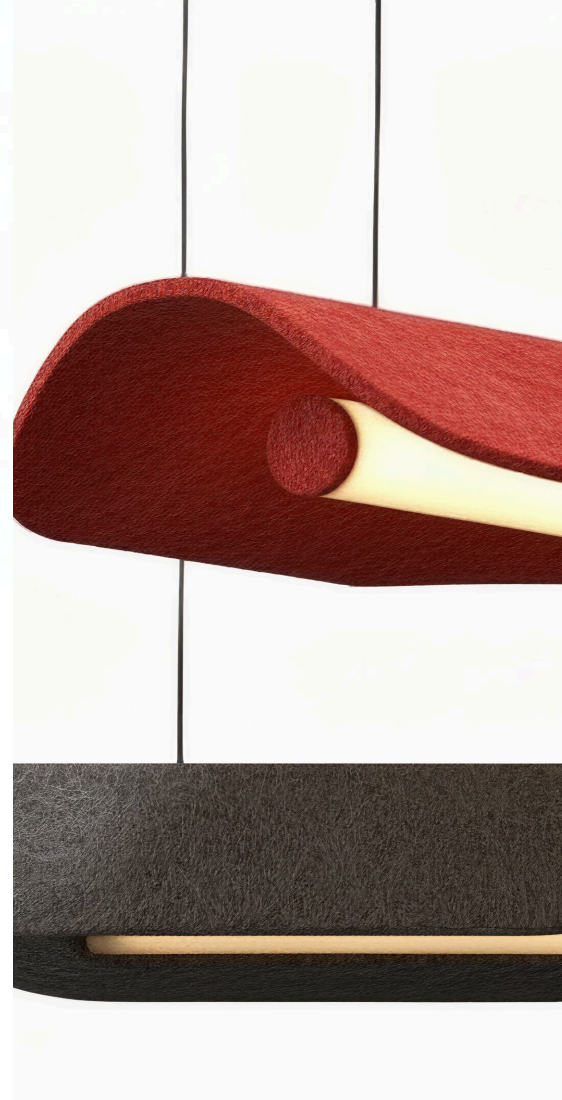

L01

*acoustic linear lamp*

Introducing ***Hush Pendant***, a linear acoustic pendant crafted to quiet the chaos and elevate the everyday. Designed for modern workspaces that refuse to settle, it softens the room while sharpening the atmosphere. A statement piece, yes-but also a subtle guardian of focus, calm, and clarity.

## Colors

available in 50+ colors

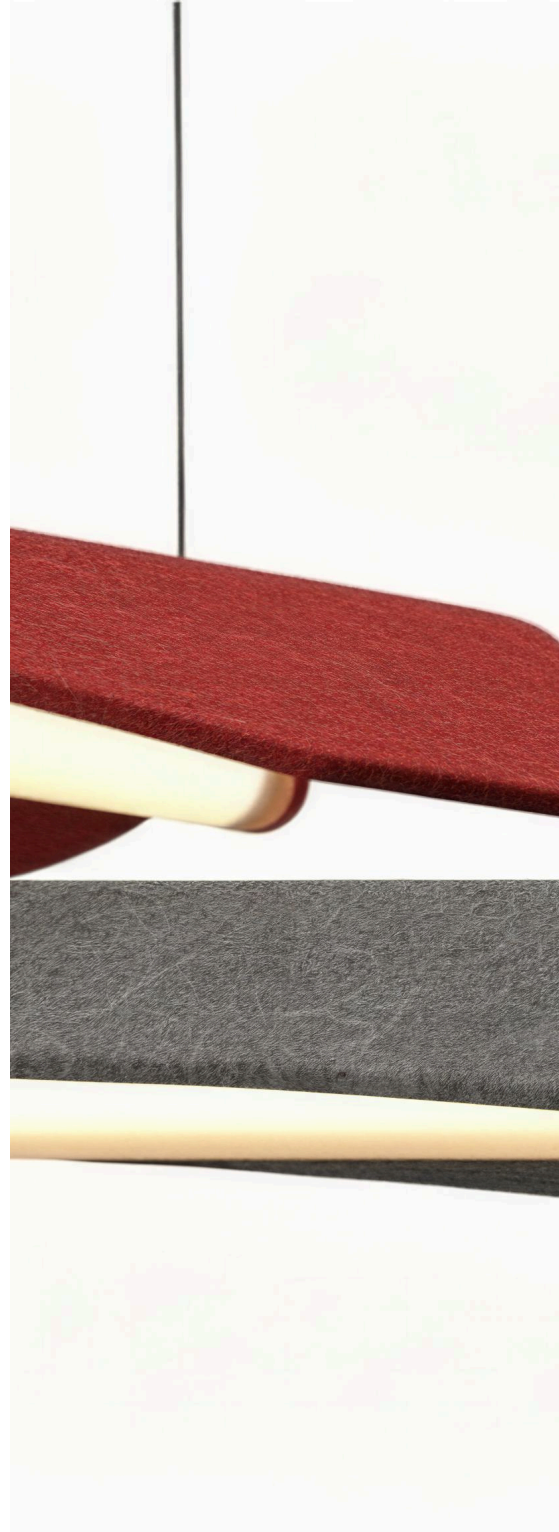

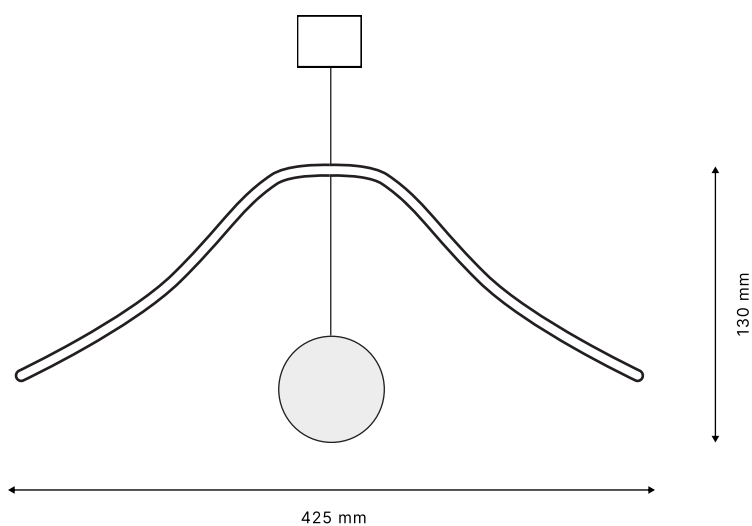

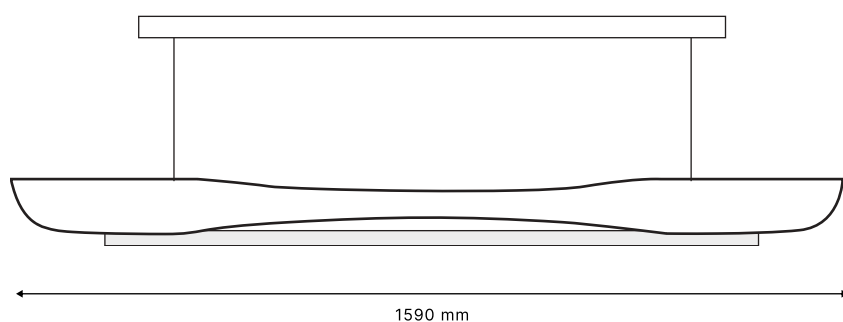

## Materials

acoustic felt  
acrylic

## Dimensions

150 × 425 × 110 mm

length	150 mm
width	425 mm
height	110 mm

## Light & Optical Details

---

light source	led
luminous output	900 lumens
color tmperature	2700k-3000k

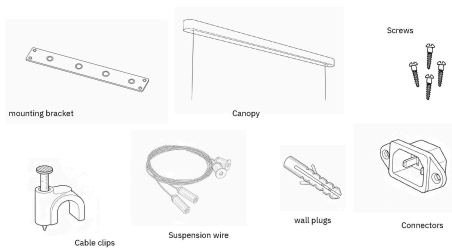

## Electrical Specifications

---

power consumption	12-24 w
input voltage	110/220 v
DALI	compatible

## Mounting Essentials

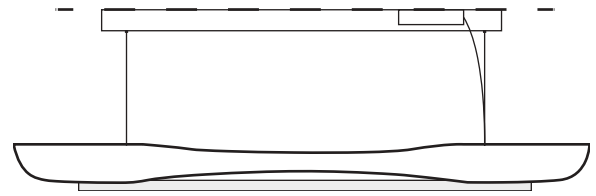

---

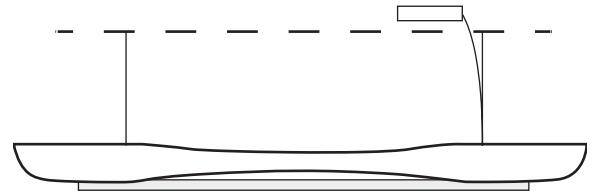

## Mounting Options

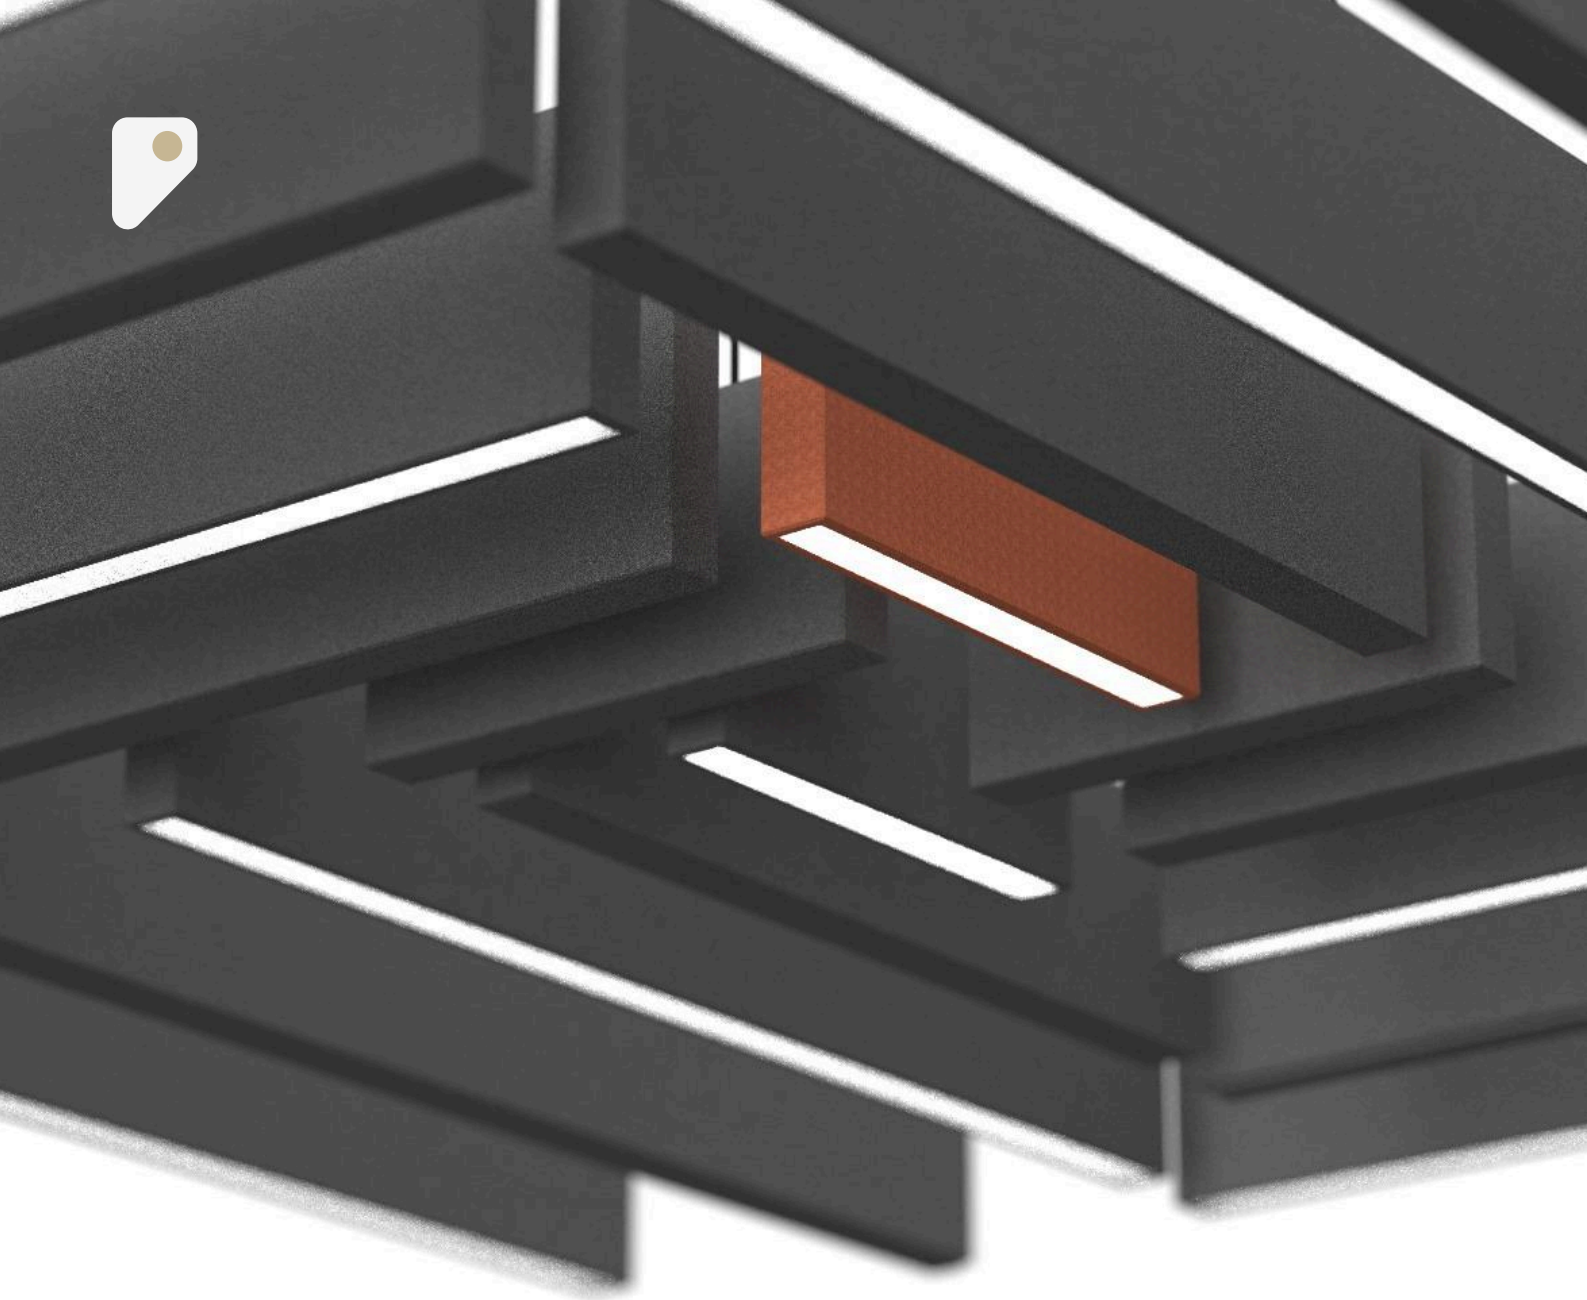

---

visible canopy

false ceiling

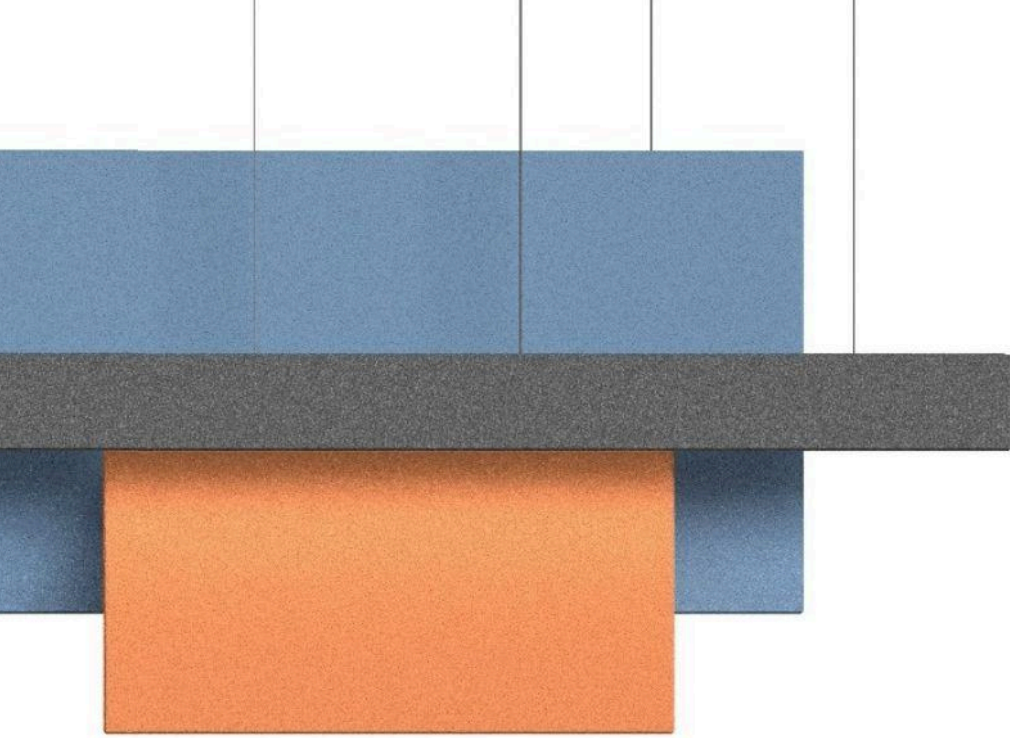

# Baffle Light

**BF01**

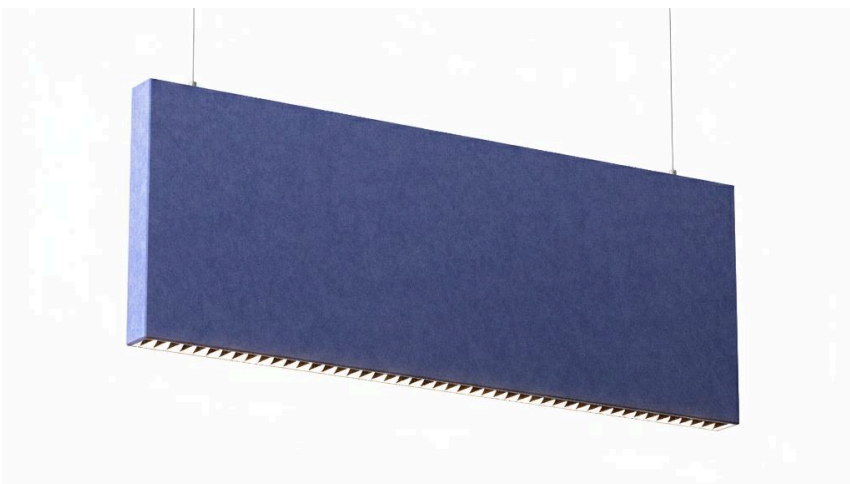

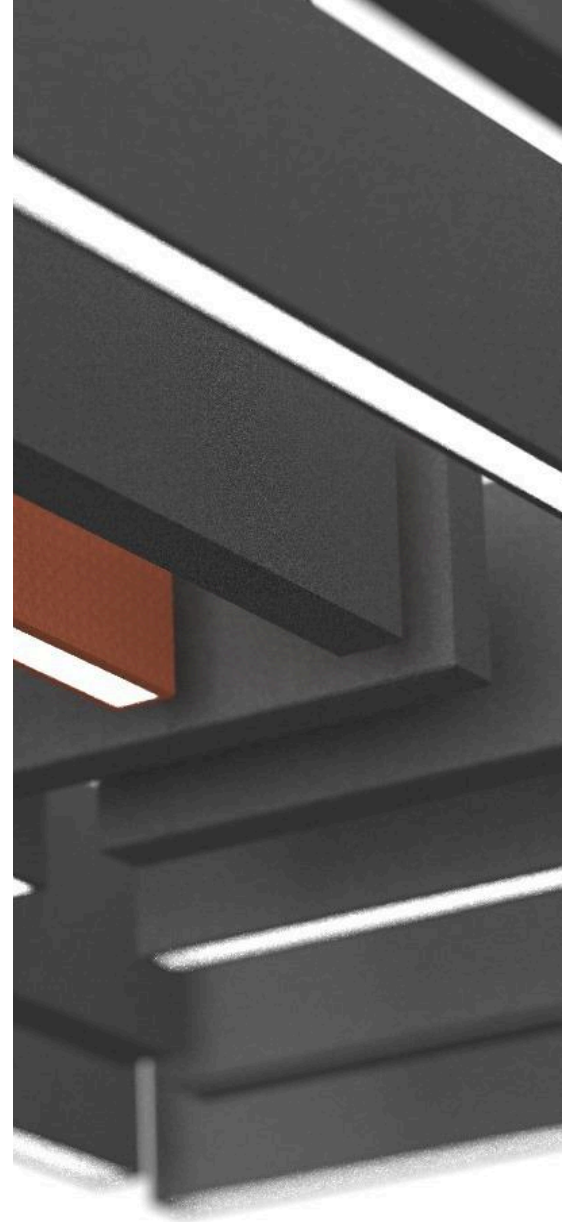

*acoustic baffles with  
integrated lighting system*

The ***Pindrop BF01*** overhead lamp is the epitome of quiet luxury-providing clear, focused light and crucial sound absorption over high-traffic areas like the reception desk, ensuring a peaceful and professional first impression.

The vertical acoustic screens transform walls into dynamic focal points. They are engineered for high-performance sound absorption while the integrated lighting creates a dramatic, customized ambiance.

## Colors

available in 50+ colors

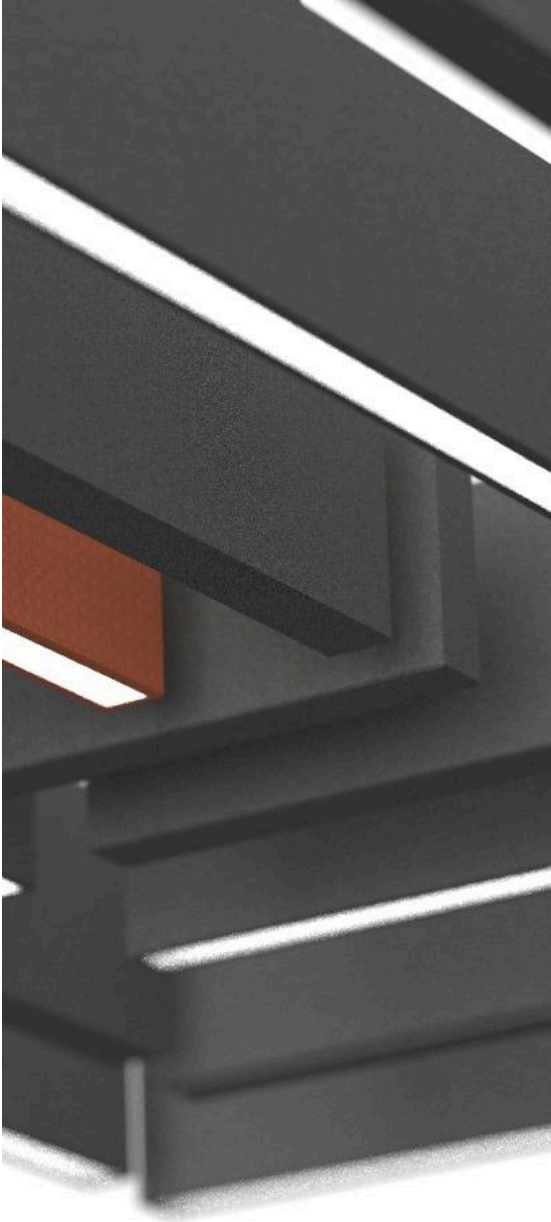

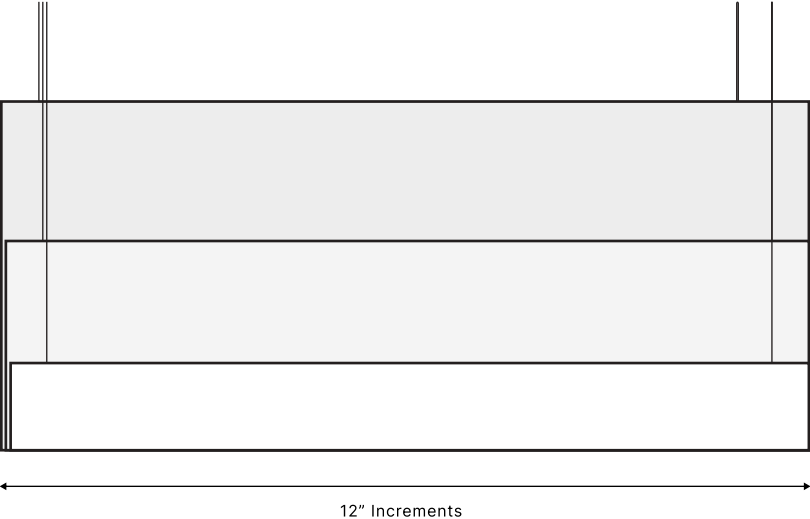

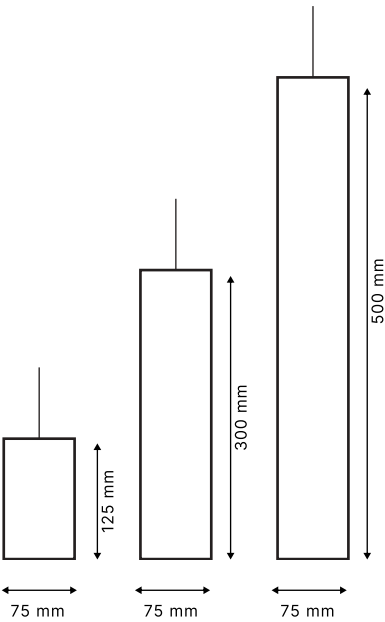

## Materials

acoustic felt

## Dimensions

customized

length	12" increments
width	74 mm
height <sub>1</sub>	125 mm
height <sub>2</sub>	300 mm
height <sub>3</sub>	500 mm

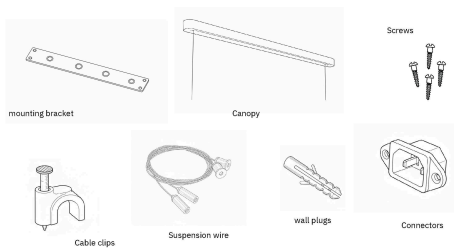

## Light & Optical Details

light source	LED
luminous output	1200 lumens
color tmperature	3000K/4000K

## Electrical Specifications

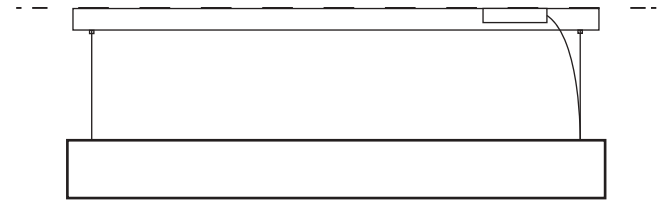

power consumption	24-36 W
input voltage	220-240 V
DALI	Compatible

## Mounting Essentials

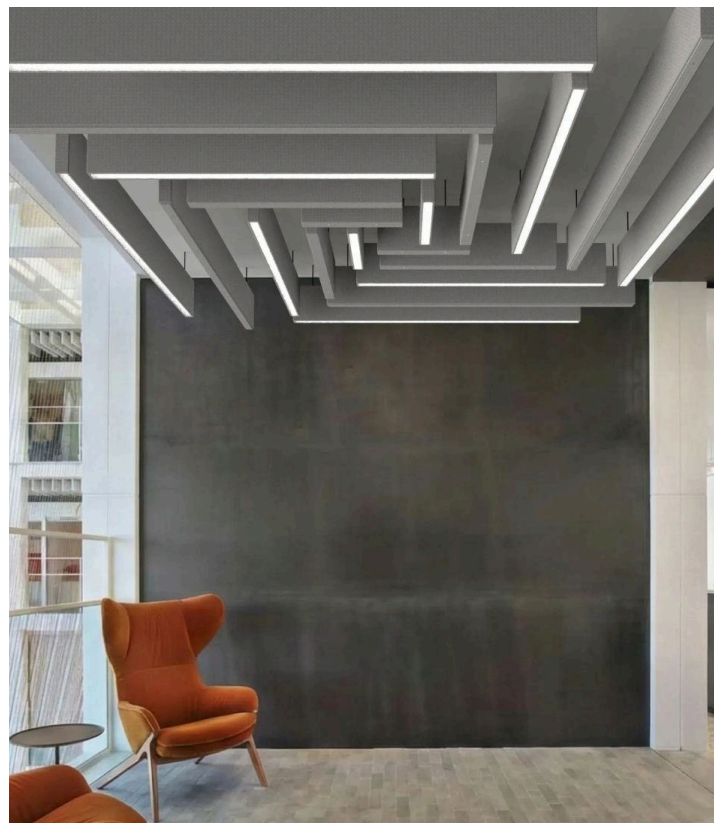

## Mounting Options

visible canopy

false ceiling

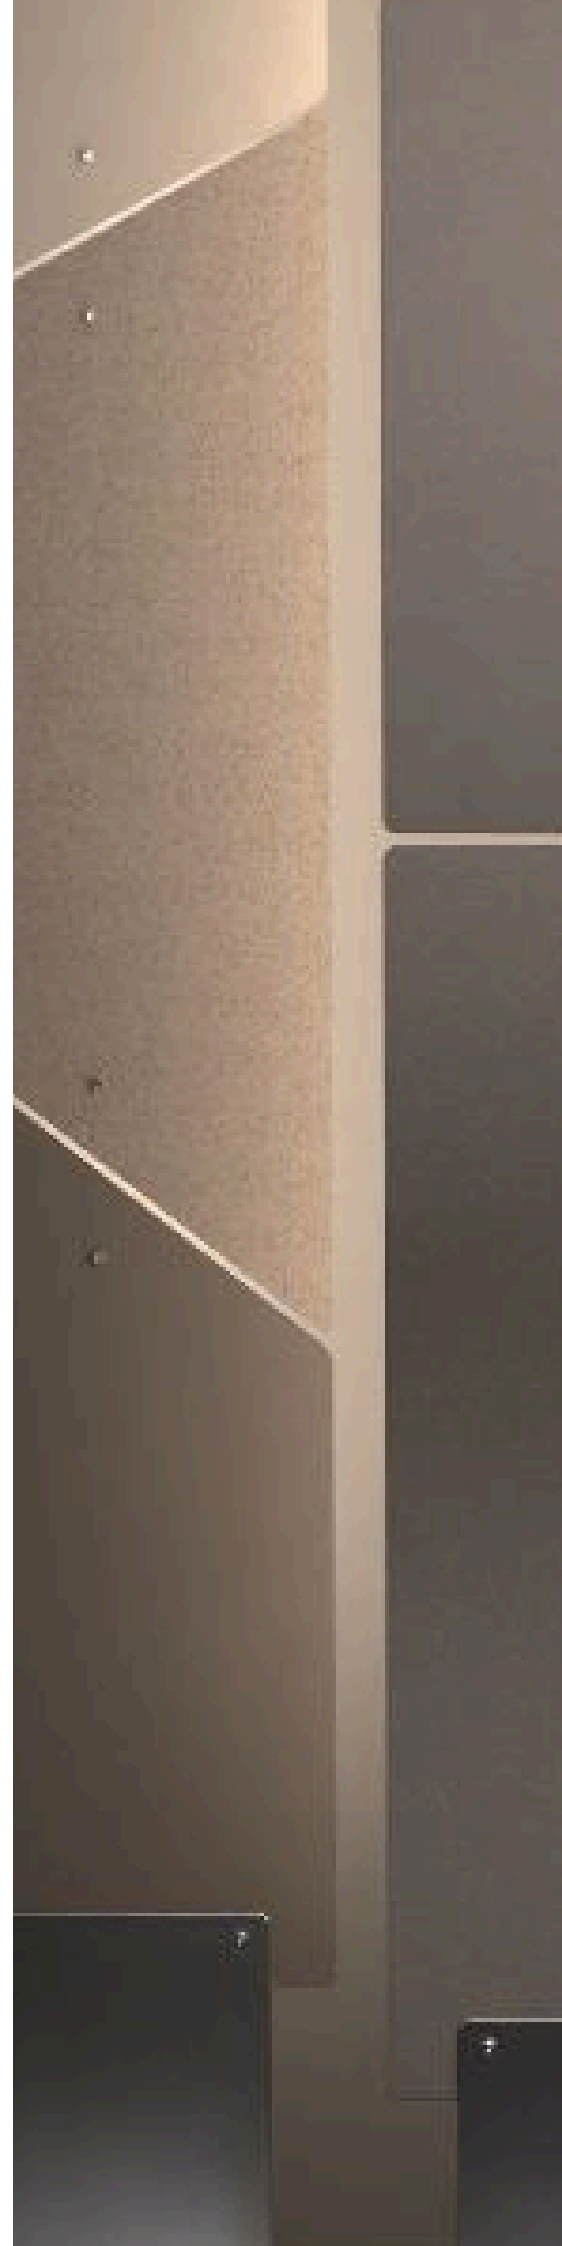

# Floor Lamp

FL01

*floor lamp with broadband  
absorber*

Meet the ***Pindrop FL01***, our revolutionary Floor Lamp with Corner Broadband Absorber. This product solves a major design challenge by turning unused corner space into a source of acoustic comfort and elegant illumination.

Engineered to absorb disruptive low and mid-frequency noise, the FL01 drastically improves sound quality and reduces echo in any room. Its vertical format and corner placement maximize acoustic treatment area (over 2m tall) without taking up valuable floor space.

## Colors

available in 50+ colors

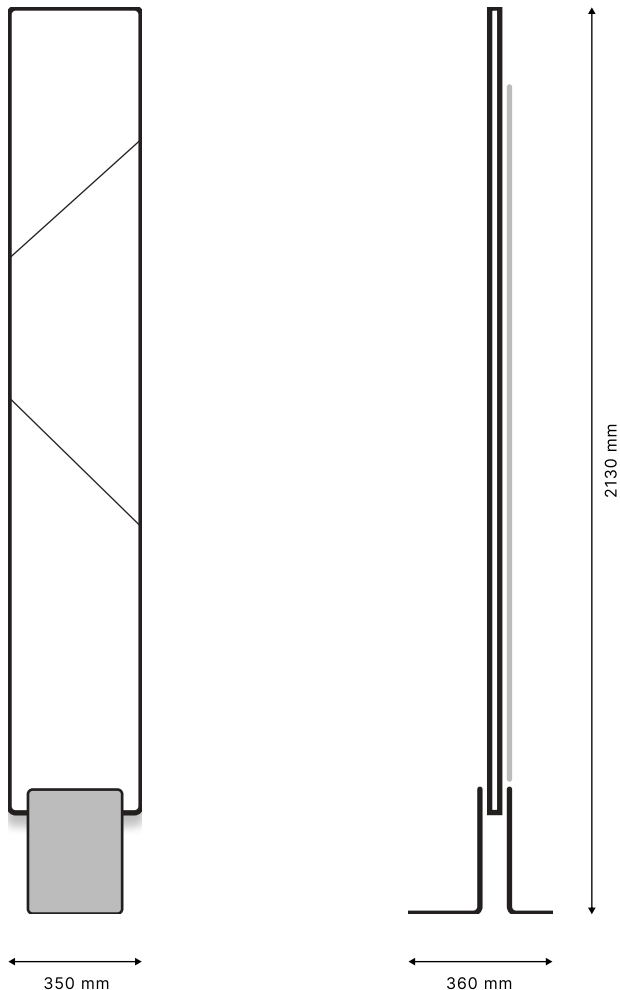

## Materials

acoustic felt  
anodised aluminium

## Dimensions

2133 × 350 mm

length	2133 mm
width	350 mm

# Electrical Specifications

power consumption	24 W
input voltage	220-240 V
cable length	2.5 M
DALI	compatible

# Light & Optical Details

light source	LED
luminous output	900 lumens
color tmperature	2700K/3000K

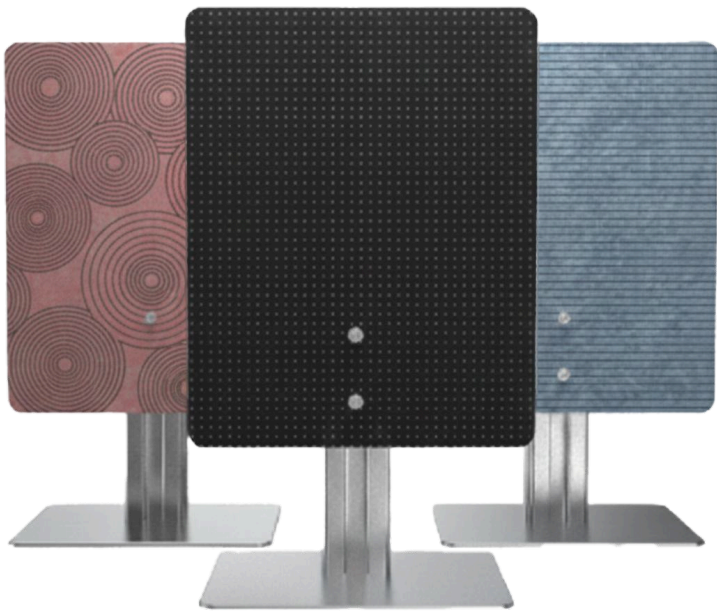

# Table Lamp

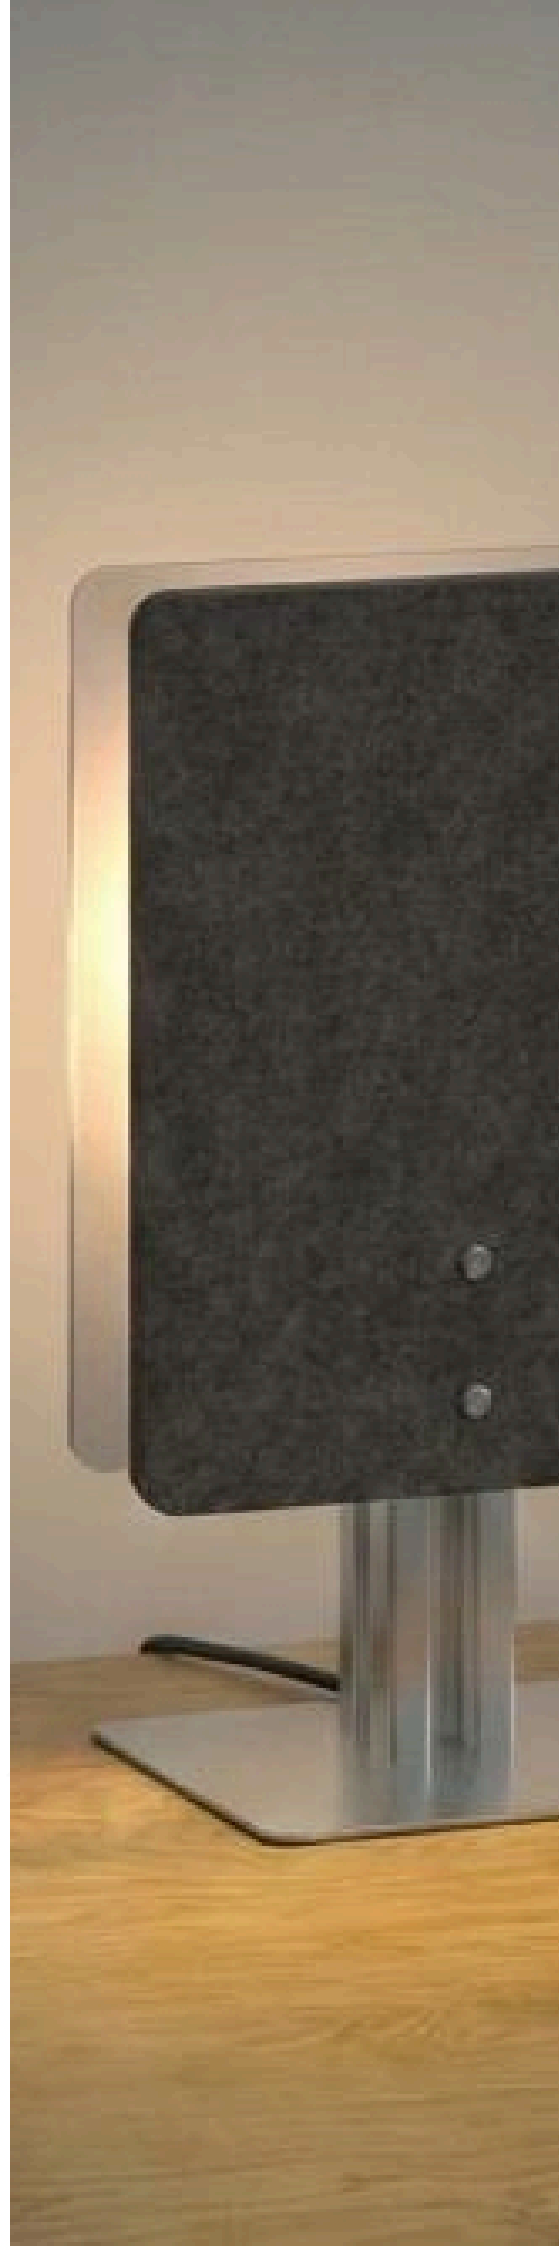

TL01

*acoustic task lighting*

The ***Pindrop TL01 Acoustic Table Lamp*** is the ultimate tool for personal productivity. It brings your "pin drop" zone of quiet right to your desk, combining sound absorption with gentle, task-optimized lighting.

## Colors

available in 50+ colors

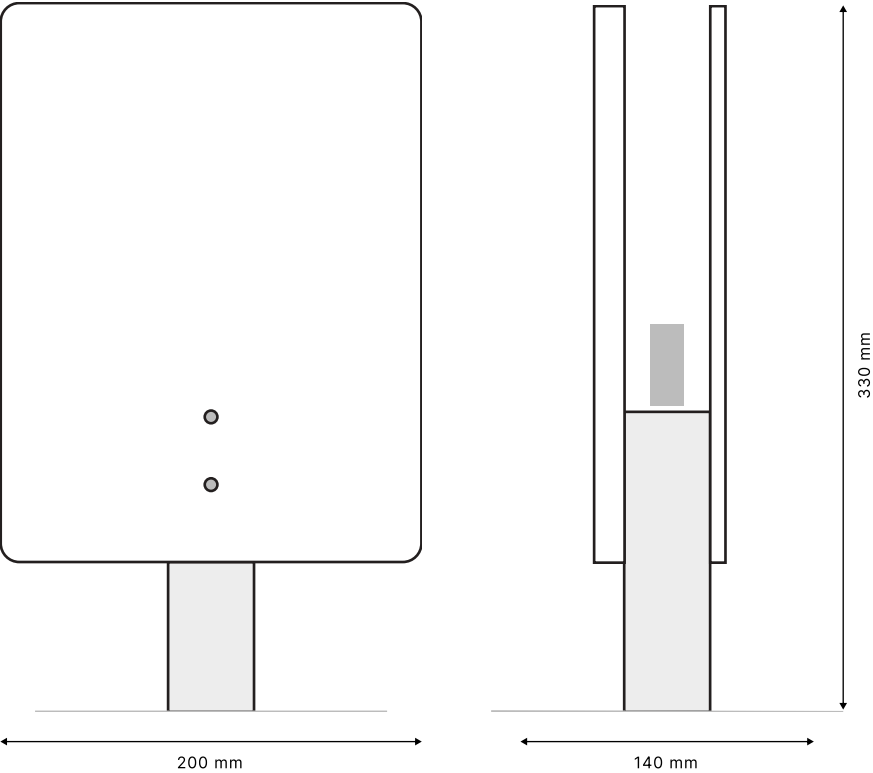

## Materials

acoustic felt  
anodised aluminium  
frosted acrylic

## Dimensions

300 × 200 mm

length	300 mm
width	200 mm
base dimensions	140 × 140 mm

## Electrical Specifications

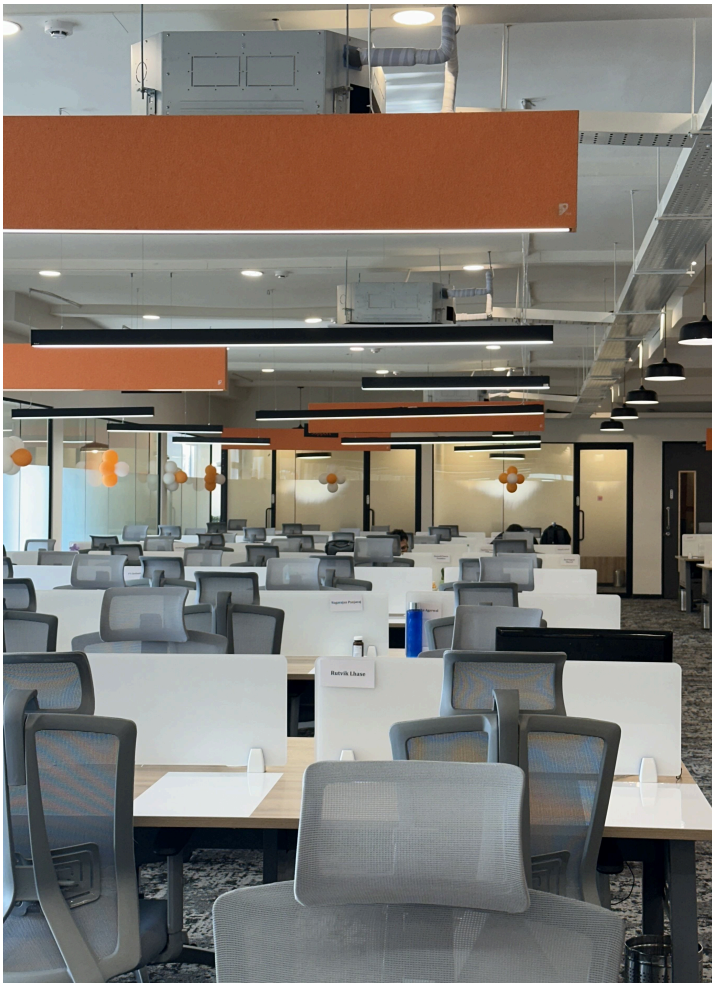

power consumption	8-15 W
input voltage	220-240 V
cable length	2.5 M

## Light & Optical Details

light source	LED
luminous output	900 lumens
color tmperature	2700K/3000K
